

## **Welcome new customers!**

The Green Food Box is a non-profit, community-based program that brings neighbours together to buy a variety of delicious and nutritious fresh fruit and vegetables at wholesale prices. We will be responsible for organizing monthly orders and pick-up times for the Green Food Boxes in our area.

## **Here's how the Green Food Box program works:**

The Green Food Box works like a large buying club. Customers must order and pay for their boxes ahead of time. Orders and payments are due to a contact person by the first week of each month. This allows us to get the group's orders and payments together in time to meet the Green Food Box's deadlines. For your convenience, future orders can be placed at time of pick-up.

Unfortunately, the Green Food Box cannot accommodate any changes to an order once it has been placed, as everything is pre-purchased.

## **Placing your order:**

Orders and payments must be made by the first week of each month.  
**Orders will not be accepted without payment.**

The boxes are delivered on the last Friday of every month.

Customer pick-up is between 1 p.m. and 3 p.m.  
5pm and 7pm

The boxes are the property of the Green Food Box and cannot leave the pick-up site. Please bring another container or bag in order to take your produce home.
