

North Dundas Photo Contest

North Dundas is a picturesque place to live, so why not capture your favourite characteristic of our community on camera?

Send us your very best photograph taken from within our Township's parametres. Amateurs and avid photographers alike are encouraged to participate in this contest; participants are asked to illuminate the essence of our landscape and its uniqueness.

All submissions will be displayed at the Old Town Hall from mid-July to late August. Area residents are encouraged to come view the entries and vote for their favourite. Rank will be allotted at the end of August and winnings distributed thereafter.

Please ensure that your submission is taken at your camera's highest resolution as your photo will be enlarged to an 8 x 10.

Deadline for this contest is July 14th

Submissions may be sent to:
