North Dundas pools will open for regular public swimming on weekends starting June 15th and on weekdays starting July 2nd. Purchase your single season pass for \$80 or your family season pass for only \$150. For the full 2019 swimming schedule, to purchase season passes, or register for swimming lessons, visit northdundas.com. For more information contact Payton Halpenny, Pool Coordinator, at 613-774-2105 or via email at pools@northdundas.com.

Friends and neighbours will meet again on the streets of North Dundas in 2019. The Township of North Dundas will be hosting the 3rd annual "Meet Me on Main Street" event series every Wednesday in July. Join your Council and neighbours for food, live entertainment, and fun, as we close a section of a main street and enjoy a summer event that is not to be missed!

### 2019 Road Upgrades

Planned road upgrades for 2019 include resurfacing Connaught Rd. and portions of Cameron Rd., Marionville Road East, Mountain Boundary Rd. and Byers Rd. We appreciate your patience and cooperation during construction.

### Get Your Summer Read On!

This summer, go on an adventure with the library's TD Summer Reading Club. Explore the Natural World through reading, games, activities and friendship! The program runs weekly from July 2nd until August 22nd. Programs times and locations vary from branch to branch. And don't forget to join us on Saturday, June 22nd in Chesterville as we launch the program with a special event.

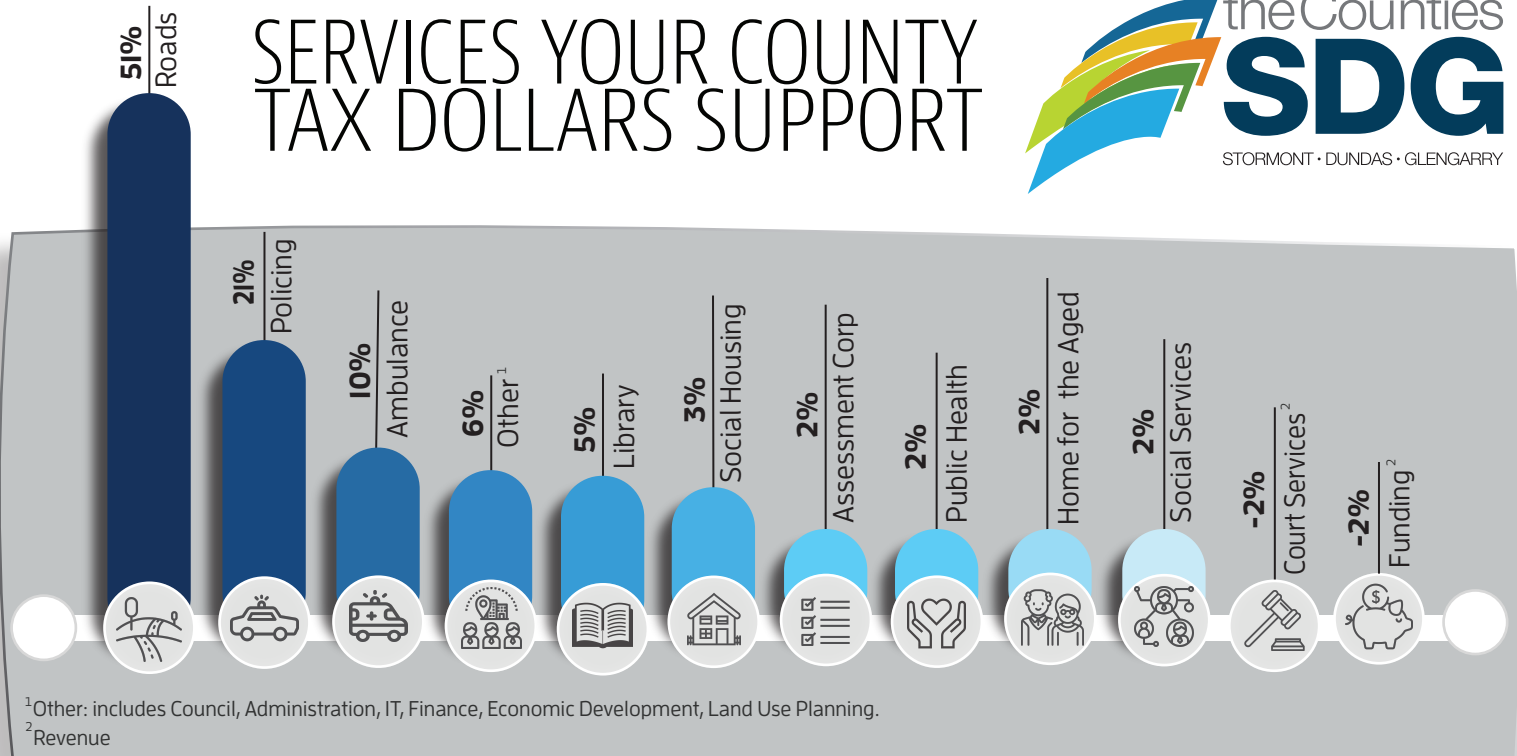

SDG Reads, the community-wide book club, returns May 21st! Watch for the release of the 2019 author and pick up your copy of the selected book at any branch of the Library. Special programming will be offered May until October, and then we'll join the author at North Stormont Place on Wednesday, October 23rd. Join the largest book club in SDG! For more information, please visit sdglibrary.ca.

### Recreation Library

Would you like to try something new this summer, but don't have the equipment? Our Recreation Library loans out items including: bicycles, camping equipment, fishing rods, life jackets, skateboards and baseball equipment. Check our website for a full listing of available items.

# SERVICES YOUR COUNTY TAX DOLLARS SUPPORT

Your SDG Library offers incredible value, giving everyone access to books, programs, Museum Passes, 3D Printing, WiFi Hotspots, eMagazines, eNewspapers, Lynda.com, ArtistWorks, and much more.

The Stay Discover Grow Regional Incentives Program was created in 2018 by the County to provide financial incentives to local businesses and non-profits to develop projects that create jobs, increase assessment, and grow our economy. 2018 saw 8 grants awarded for a total of \$100,000, and Council has approved \$250,000 in funds for 2019. Businesses and non-profits can apply for grants that cover eligible costs up to \$50,000 per property, per year. To see if your project is eligible and download an application visit: [SDGcounties.ca/stay-discover-grow](http://SDGcounties.ca/stay-discover-grow).

In 2019, the County will be spending over \$10,000,000 to rehabilitate roads, about \$2,000,000 to look after its network of 200 bridges, and \$5,500,000 on winter maintenance activities.

SDG is policed under a single contract with the OPP—a regional approach that provides consistent service at a cost effective price.

Renovations at the County Administration building, located at 26 Pitt Street, Cornwall have come to an end with the completion of the Warden's Residence. The Warden's Residence has been renovated to closely match the original brickwork, this along with the extensive landscaping that was completed last summer, completely revitalizes our corporate headquarters.

Message from 2019 Warden

## Jamie MacDonald

"2019 will see the continuation of the County's efforts to maintain and improve its vital infrastructure, while at the same time holding the line on property taxes. Careful and prudent planning in the past, coupled with a Council that places great value on infrastructure, has created the conditions to do so. I am excited about the upcoming year and look forward to continuing to work closely with my Council colleagues, local SDG municipalities, and the public to ensure that our region "Where Ontario Began" remains a great place to live".

SDG Tourism is hard at work building and distributing our brand throughout SDG and beyond. Be on the lookout for the 2019 Discover Guide, digital visitor kiosks throughout the Parks of the St. Lawrence and an increased social media presence.
