BY-LAW DIVISION TO ASSIST IN EMERGENCY ORDER ENFORCEMENT

The Township of North Dundas now has the ability to enforce some of the new rules related to physical distancing and safety measures surrounding the attempts to stop the spread of COVID-19.

The By-law Division with the Township will work in conjunction with the OPP and the Eastern Ontario Health Unit to enforce these new rules and educate residents and businesses the importance of following these new restrictions.

Effective immediately, the Township By-law staff may respond to calls related to:

- Gatherings of five or more people in public areas
- People congregating in parks/using park equipment or facilities, such as play structures, sports fields, court surfaces, benches, gazebos, etc.
- Restaurants offering dine-in services
- Non-essential retail businesses continuing to operate.

Residents wishing to report individuals or businesses not obeying the emergency orders can contact enforcement staff at (613) 774-2105 ext. 294. Please note the following:

- You may need to leave a message with your name, contact number, and a brief description of the perceived problem. Staff will review and investigate calls as needed.
- Staff are not in the office in the evenings and on weekends, we will respond response based on need and the availability of staff.
