

Notice of Submission of Environmental Assessment

Notice of Submission of Environmental Assessment

Environmental Assessment of the Township of North Dundas Waste Management Plan, Township of North Dundas

The Township of North Dundas has completed the Environmental Assessment of the Township of North Dundas Waste Management Plan. As required under section 6.2(1) of the *Environmental Assessment Act* and according to the Terms of Reference approved by the Minister of the Environment and Climate Change on July 1, 2020, the Township of North Dundas has submitted its environmental assessment to the Ministry of the Environment and Climate Change for review and approval.

The EA Study evaluated long-term solid waste management options for a 25-year planning period. The Township is seeking to accommodate disposal of waste corresponding to the consumption of approximately 417,700 m³ of landfill capacity from 2023 to 2048, as its existing Boyne Road Landfill is currently at capacity. The EA Study evaluated long-term solid waste management options to achieve this objective and has identified increased diversion and expansion of the existing Boyne Road Landfill as the preferred alternative.

As required under the *Environmental Assessment Act*, the environmental assessment will be available for public review and comment from February 2, 2023 to March 24, 2023.

You may review the environmental assessment during normal business hours at the following locations:

Winchester Public Library
547 St. Lawrence Street
Winchester, ON
613-774-2612

Hours of operations
Monday 9:00am – 2:00pm
