

North Dundas Council News & Updates

Highlights from the November 14th Council Meeting

- Dog Tags will no longer be mandatory within the Township. However, it will be required that dogs are identifiable in some way. (eg. microchip/tag)
- The Marionville Battery Storage project support request was deferred pending additional information.
- Shauna Baggs from Cornwall Business Enterprise Centre provided an overview of the services and programs they offer. For more information, visit: businessenterprisecentre.ca
- A Water & Sewer rate increase was approved effective January 1st, 2024. An information pamphlet on the changes will be sent out to residents with their January quarterly water bill.
- The Township has launched “Let’s Connect North Dundas”, a new Community Engagement website for the community to receive updates and comment on Municipal projects. Visit: letsconnect.northdundas.com

Council meetings are live-streamed on the Township’s YouTube Channel
